SPORTS

Braxell – you never were very good at sports. I'll never forget the hook shot you made in the Muir game when we were sophomores on the "B" team. Hope you have fun this summer. I'll see you at Verdugo, we can cruise in the blue bomb. Be ready for basketball next year, I'll be slamming, will you? See you later,

Lewis Stone, future N.B.A. Star

Thinking of come back, the Indians go on warpath

After pitching the ball Tim Molina (10) blocks for Jess Talamontes (22) on a power sweep.

Down goes Jon Funk (24) after a short gain against Blair.

Jim Gailbraith (89) gains extra yardage against Crespi in the Indians first game of 1970.

Torture! That is what you can call what our team goes through each summer in preparing to represent our school on the gridiron. Practice begins the last week of August. During Practice the team does drills until they drop. They hit sleds, bags and each other. What makes it even worse is the Boiling sun, sweat, and Pollution. By the time they reach their first game they have gone through enough agony to kill a person. When they step on the pit this year they are led by All-League returnees, BOB LOYA and GLENN BEAUBIEN. The explosive offence will be run by Quarterbacks KENT WHITESEL and TIM MOLINA. The running backs are swift JESS TALAMONTES, JOHN VOSSMEYER, JON FUNK and JOHN BARNHART. Our fine group of receivers, who hope to hit pay dirt many times this year, are BRUCE WALLACE, ART IBARRA, TIM DURNBAUGH JEFF BOYSEN and DAN MARTIN. Ready to open holes through the enemy are BOB LOYA, JAY ROMINE, DAN SANTOYO, MIKE CURTIN and MARIO LUJAN. This years Defense will be extremely hard to score upon. Ready to oskie opponents arrials are DAN MARTIN, GLENN BEAUBIEN, DAN OSSELLO, and DARRELL HIXON. The stickers are MIKE HINCHCLIFF, ART REPOLA, JEFF WARD, ART IBARRA and BOB SHEFFIELD. The starting teams are made up of mostly seniors who hope to prove something to the entire student body and Foothill League.

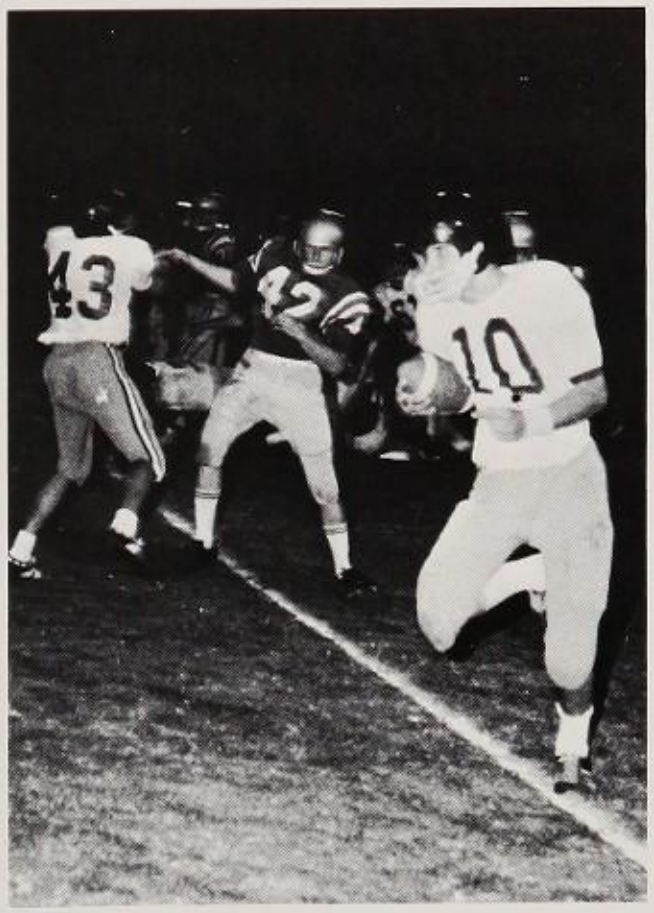
Two big wins show

TIM MOLINA raises arms in victory as JOHN FUNK crosses the goal line for a winning touchdown.

Junior speedster JON FUNK (24) cuts between two Muir players on his way to good yardage.

Indian's strength

Not wanting to go down, JESS TALAMONTES (22) straight arms a Hoover man as he does the same.



As Quaterback TIM MOLINA (10) runs, TIM DURNBAUGH (43) blocks against Hoover, our first win.

The 1970 John Burroughs Football team was exceptional this season. After a distressing '69 season, John Burroughs Indians came back to not only prove that they could play football, but also that they could beat Burbank in the most exciting game of the year.

The first two games proved disastrous and the school spirit went down sharply. The Indians came back and earned two straight wins, morale couldn't have been better. Our standing in the Foothill League was four wins and three loses, which placed us third in the League. Burbank was tied with us also with four wins and three loses.

The Burbank-Burroughs game was another story altogether. The Indians, led by TIM MOLINA, brought their tomohawks down on the Bulldogs to win 15-12. This is the first time in three years that Burroughs has been victorious over Burbank. The game was a hard one for both teams. In the last few seconds of the game the tension was almost unbearable, but when the gun fired the final shot both teams knew who had won. A mob of people ran to the middle of the field trying to congratulate every member of both teams, for a terrific game.

Bees and J.V.'s develope stars for coming years

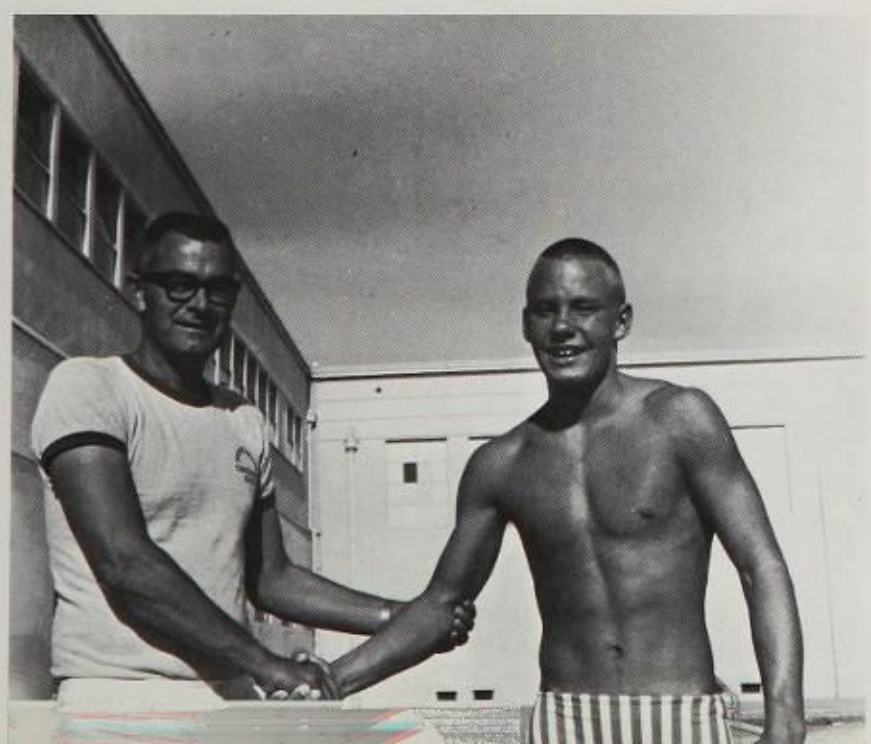
team enjoys drowning opponents

Showing great promise, the B Team gets ready to drown their opponents.

Those who feel that water polo is an easy sport to play are in for a shock. Water polo, along with being a rough game, is a tireing game also. Our team has not won every game, but has played hard in every one of them. We can conceit that we beat the dogs from Burbank High twice, for the city title. The leaders of the team are Captain DANA LARSEN, GLENN DIETZ, CRAIG WOOD, AND GARY STOLARK. We have an exceptional goalie in DWAYNE ROMBERGER. The bee's are led by JIM AVILA who is good enough to play varsity but not quite big enough. CURT SHEPHERD leads the Cee's. The Cee team doesn't have too many members but have shown power in the water.

Our first win against the dogs was marred by fouls. The team played great and won in overtime by a score of 12-10. DANA LARSEN, and GLENN DIETZ stared in that game. The next time they met was the hardest fought game this year for both teams. There was no individual stars in that game, but it was an all out team win. We won by a score of 7-5. Our team proved this year that winners aren't quiters, quiters aren't winners, our team is a bunch of winners.

In his first year at Burroughs, coach DAVE HERMANS is shaking hands with his exceptional Captain, DANA LARSEN.



With only seven members, the C Team fights for their lives to win.

With many returning Lettermen, our Cross-Country team is especially strong this year.

country is ever for 1970

Working hard to make this years team a League Contender is Coach Jack Drager.

After an agonizing battle, Chris Andrus crosses the finish line.

This years Cross County Team has shown the potential to be the best team we have ever had at John Burroughs. The harriers are led to the hills by possible all Foothill League runner BILL BUSS. Bill shattered the existing school record of 9:38.0 by 4 seconds with the time of 9:34.0. Varsity returning Lettermen are STEVE TAYREIN, CHRIS ANDRUS, MARK ROMAN. Leading the J.V. are JERRY EVERHART, MITCH BENNENT, RANDY KENNEDY, and MIKE FROLICH. Some fine sophomore prospects are RIC OSLUND who usually runs Varsity, RICHARD THEODORE, GILBERT VENEGAS and GARY FIGUEROA. The team has worked hard all summer and should finish high in the league.

During practice the team runs and runs. They work out in the Griffith Park Hills, in the smog. They run up to the Observatory and mix with the heavens and stars. This years team should represent our school well, if they don't get all wrapped up in poison oak.

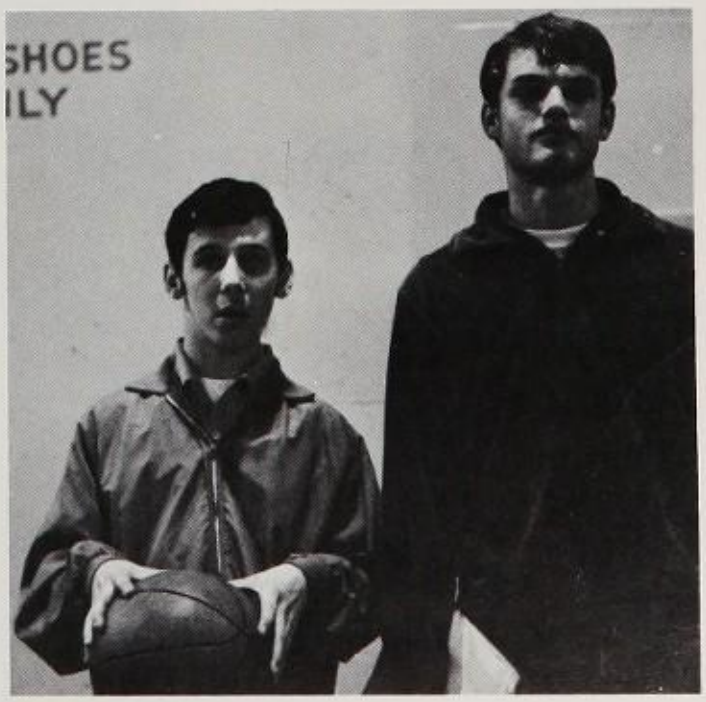
VARSITY BASKETBALL

The 1970-71 Varsity Basketball Team is not packed with Big Men but they are packed with spirit. The team is led by the only Senior on the team, MIKE HOLMAN. Mike is an outstanding shooter and rebounder. He has a very good chance of making the all-league team. Junior Standout JON CHANCE is also trying to carry the load of the team. He is a great competitor and an all around sportsman. Other starters on the team are BRIAN ASH, JIM GAILBRAITH, and LARRY KING. Gailbraith and King are sophomores and they are big. King is a good shooter & rebounder but is towered over by other centers in our league. Gailbraith is a tough and physical player. BRIAN ASH is a junior and a good ball handler and shooter. Other members of the team are DOUG ANDERSON., MIKE CARTER, GREG SCHUPP, BRUCE HOGUE, and JOHN NICHOLS.

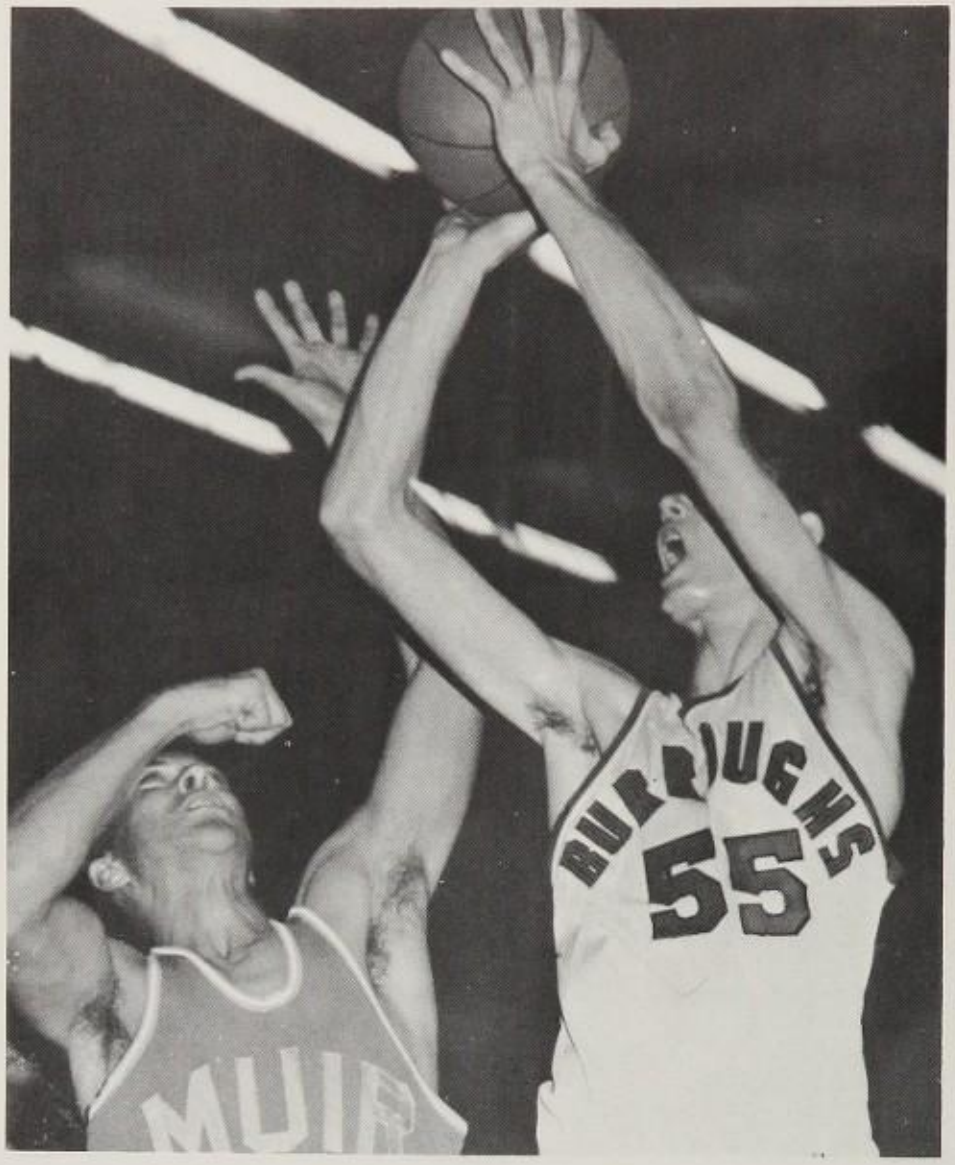
In non-league play this year our team showed power in defeating teams such as Paramount, West Torrance, and LeSalle. During Christmas they entered the Hawthorne tournament and finished in Fifth place. In the Pioneer tournament they finished in forth place losing out on winning third place by one point.

In league play they haven't done very good but we have been in there fighting in every game. In the eyes of many, our league is the toughest in California. We have Cresenta Valley with their smallest starter at 6'3". Blair and Pasadena are rated in the top 20 in the CIF. the rest of the schools are all very strong. With out team fighting all the way we should win our share of games.



The manager of the team is TONY VECCHEARELLI, and assistant manager is BILL MILNER.

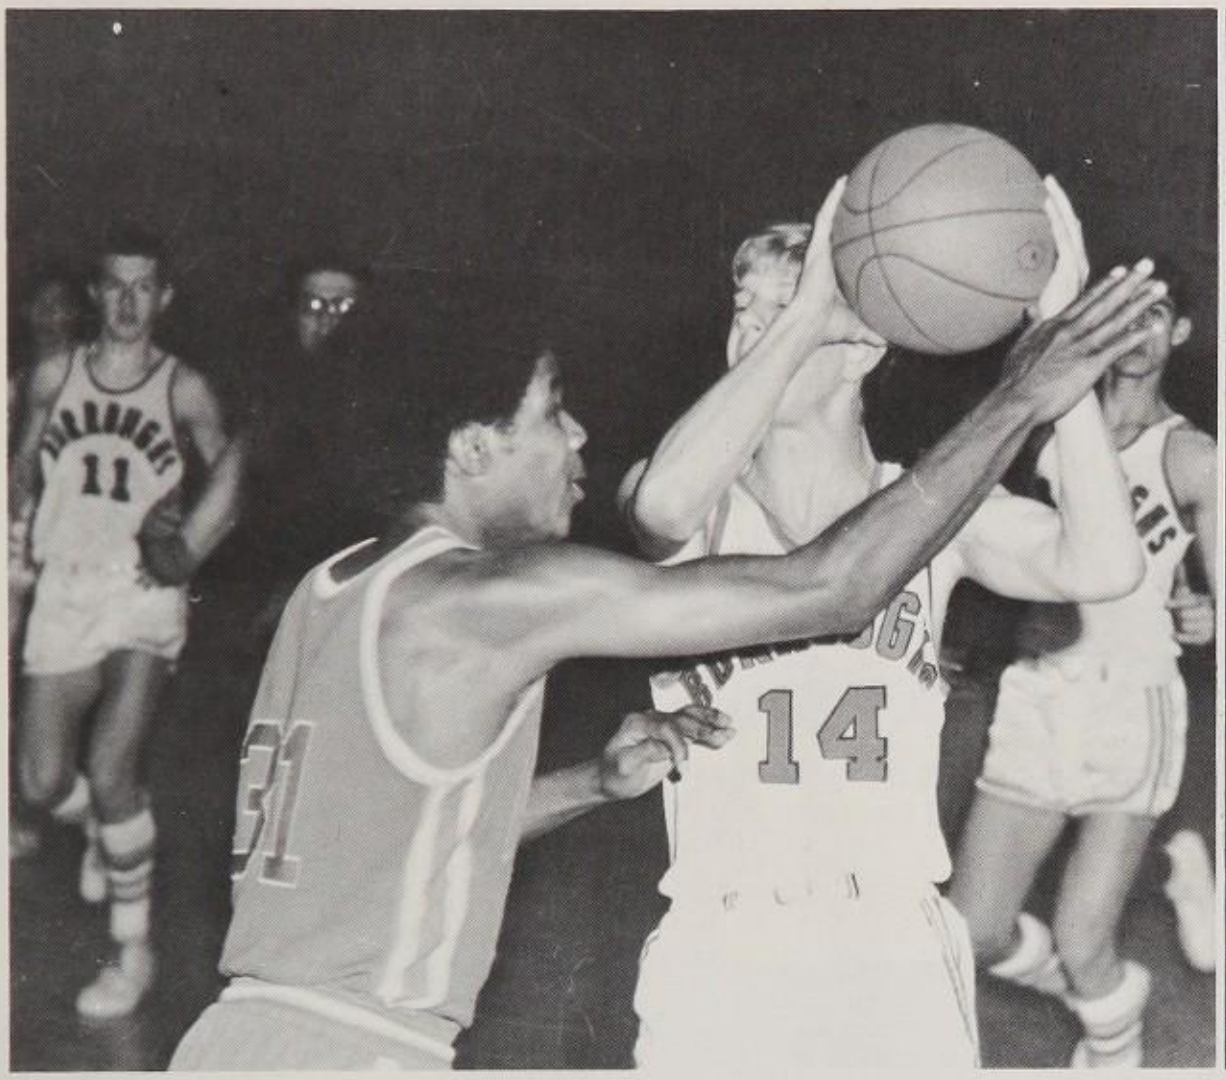
Making a reverse lay up for 2 is Jr. MIKE CARTER against Muir.



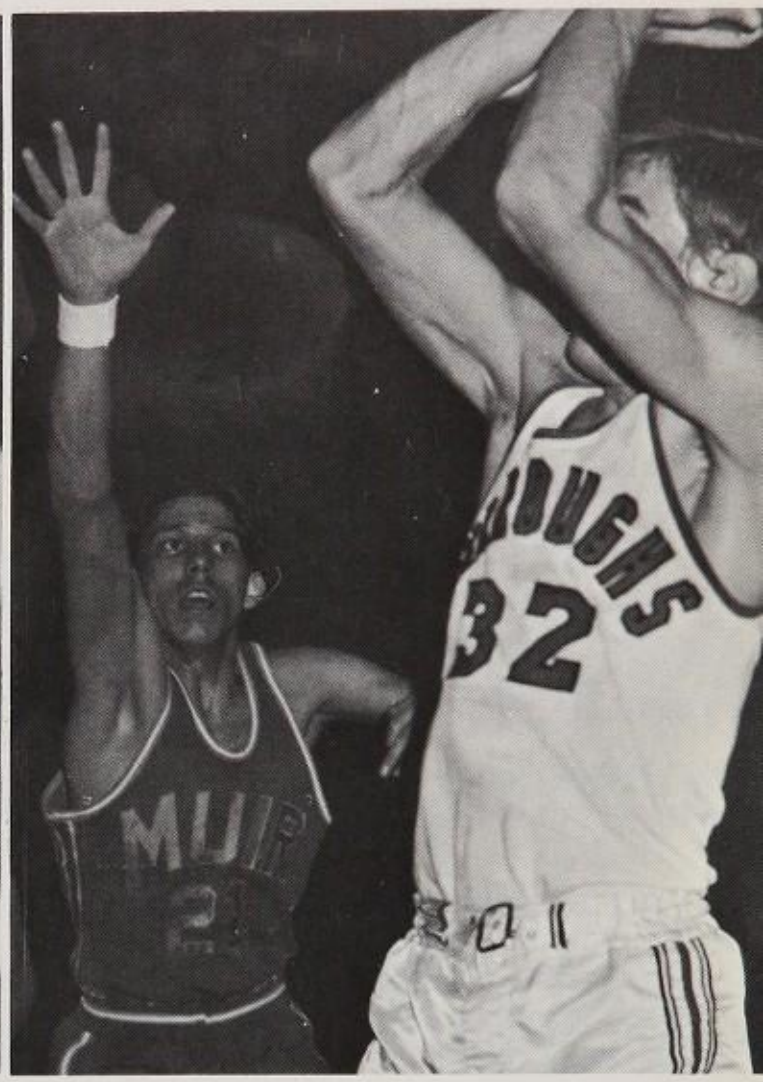
Attempting a shot against Muir is sophomore "Lumberjack" LARRY KING.

Grabing a rebound against the Mustangs is Jr. JOHN CHANCE (11) Looking on is JIM GAILBRAITH and a Muir man.

Indians put up a good fight



Not knowing what to do:: BRIAN ASH trys to shoot for two.



Leaping for a jump shot against Muir is JIM GAILBRAITH. Jim is a sophomore and will be back next year.

Driving for a lay up against a Muir man is MIKE HOLMAN. Indians barely missed winning this game.

COACH BRIAN HURST of the Bees is the main reason why our Bee team is on its way to first place. A familiar saying you can hear from the coaches mouth is "Rebound."

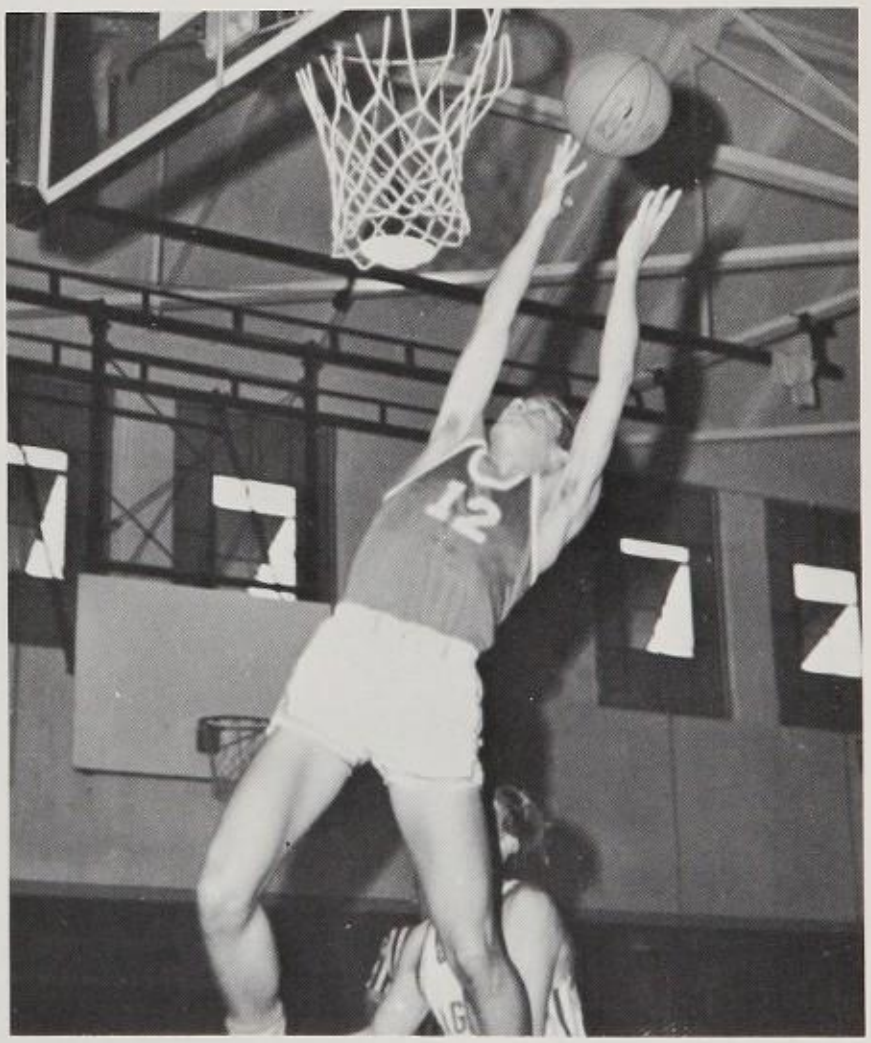
The coach of the J.V.'s is COACH RICH GRIMES. He has proved that you can make inexperienced basketball players into All-Americans.

Braves fight for number one

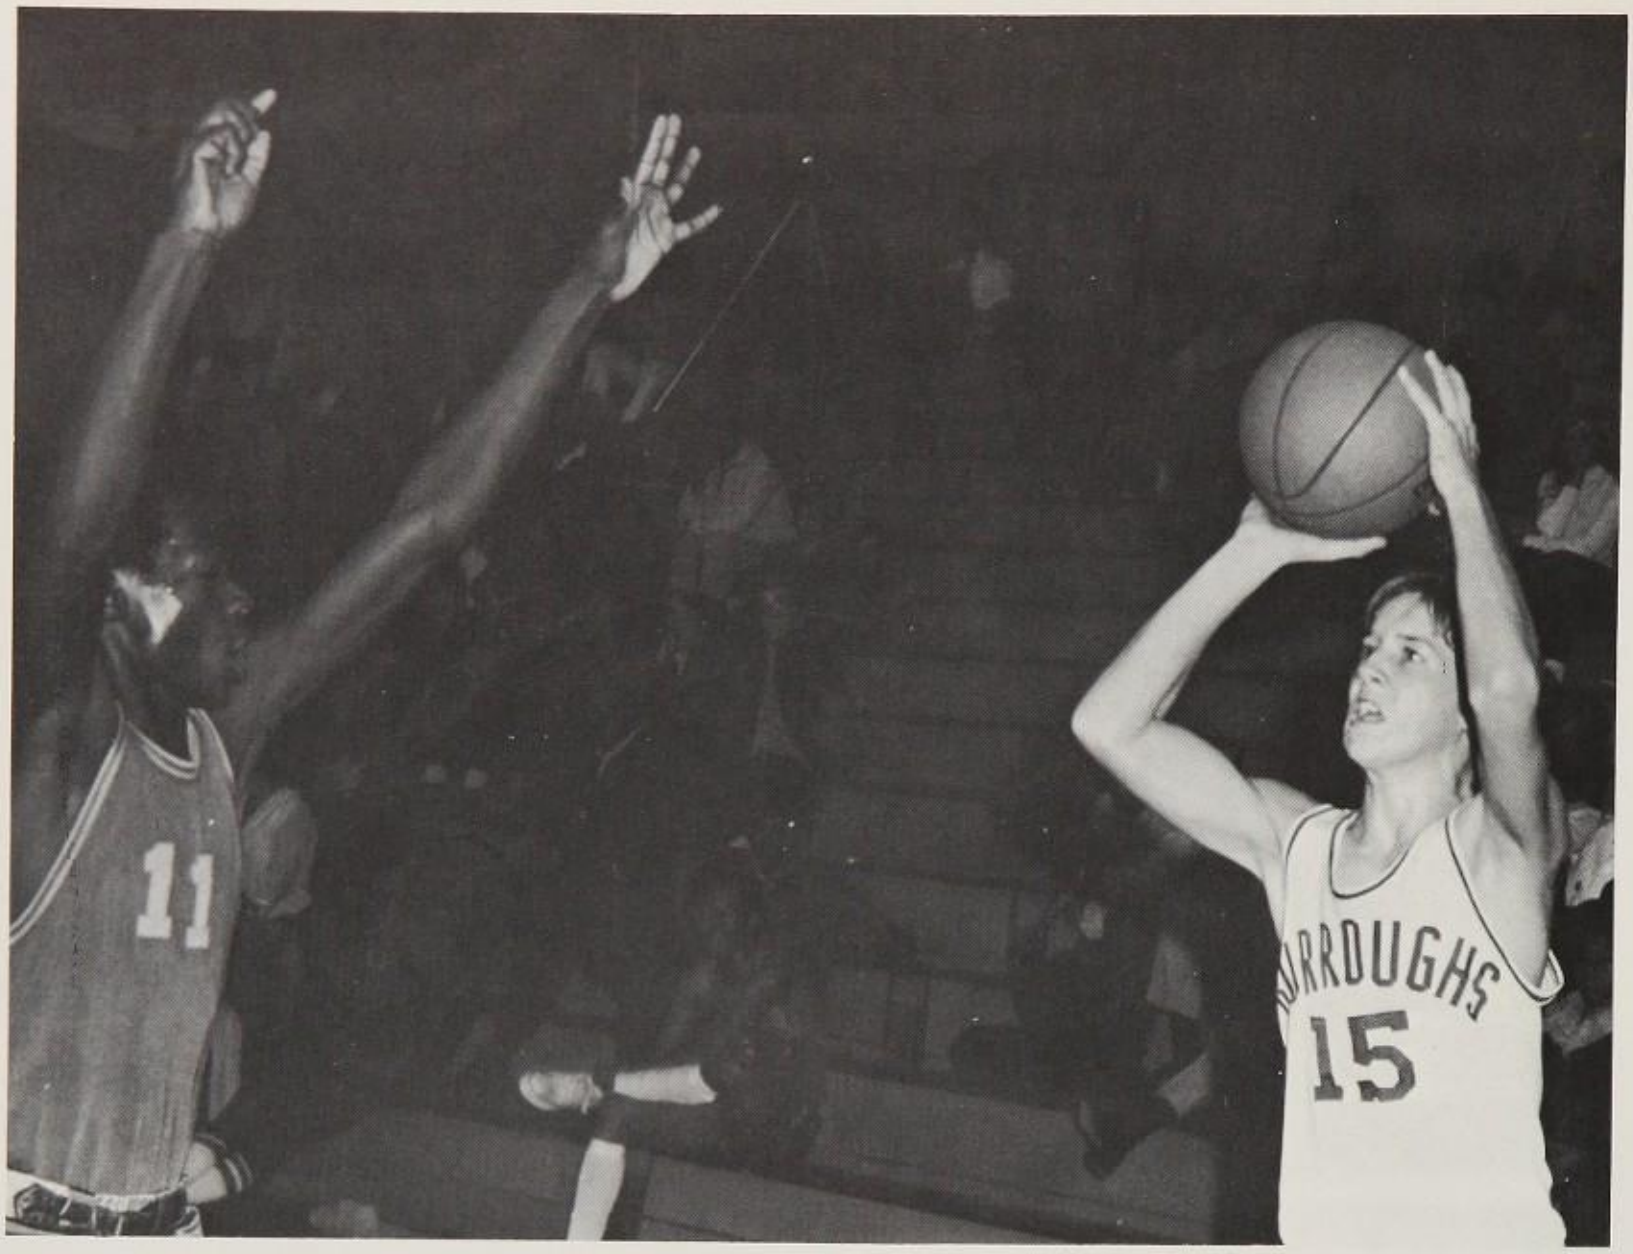
This years Bee team is made up of naturally skilled preformers. They are well coached by COACH BRIAN HURST. The team is led by KENT WHITSELL, JERRY BAILEY, and RON CASCELLA. All three are exceptional shooters and Bailey and Cascella are good rebounders. Cascella is known for his jumping ability. Whitsell is the only senior on the team and can shoot from far out and make it often, he is a good ball handler. Other stars on the team are MARK ALBERTSON, LENNY SARAGOSSI, RONN HOWARD, and NORM STOCKTON. The teams they must beat are Burbank and Pasadena. Pasadena hasn't lost a game in more than two years. Our team finished second in the Burroughs Holiday Classic Tournament.

The JV team lost most of its players to the Varsity, but still competing with a lot of spirit.

About to steal the ball away from A Glendale man is MARK ALBERTSON with JERRY BAILEY helping out. Watching on is KENT WHITESEL.



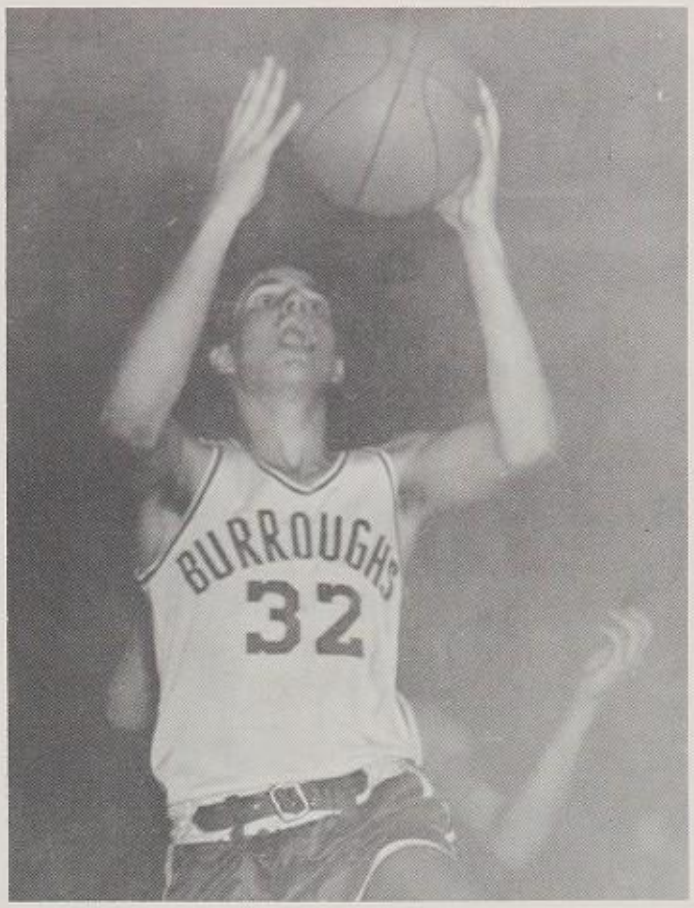
Grabbing a rebound against Paramount is DOUG ANDERSON of the J.V.'s.



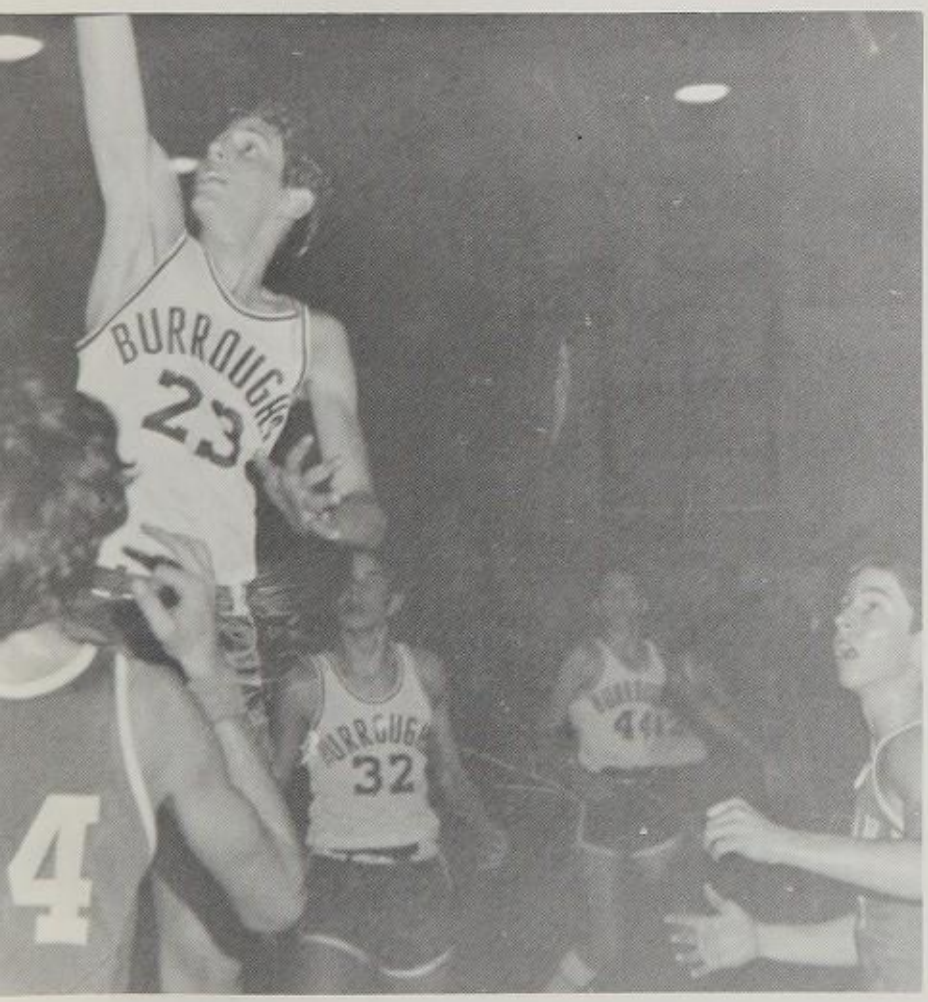
In a tight game against Muir, Sophomore MARK ALBERTSON shoots for two against unidentified Muir Pony.

Putting up a good fight, STEVE BRAZELL looks for help as RONN HOWARD trys to curb the Bull pups.

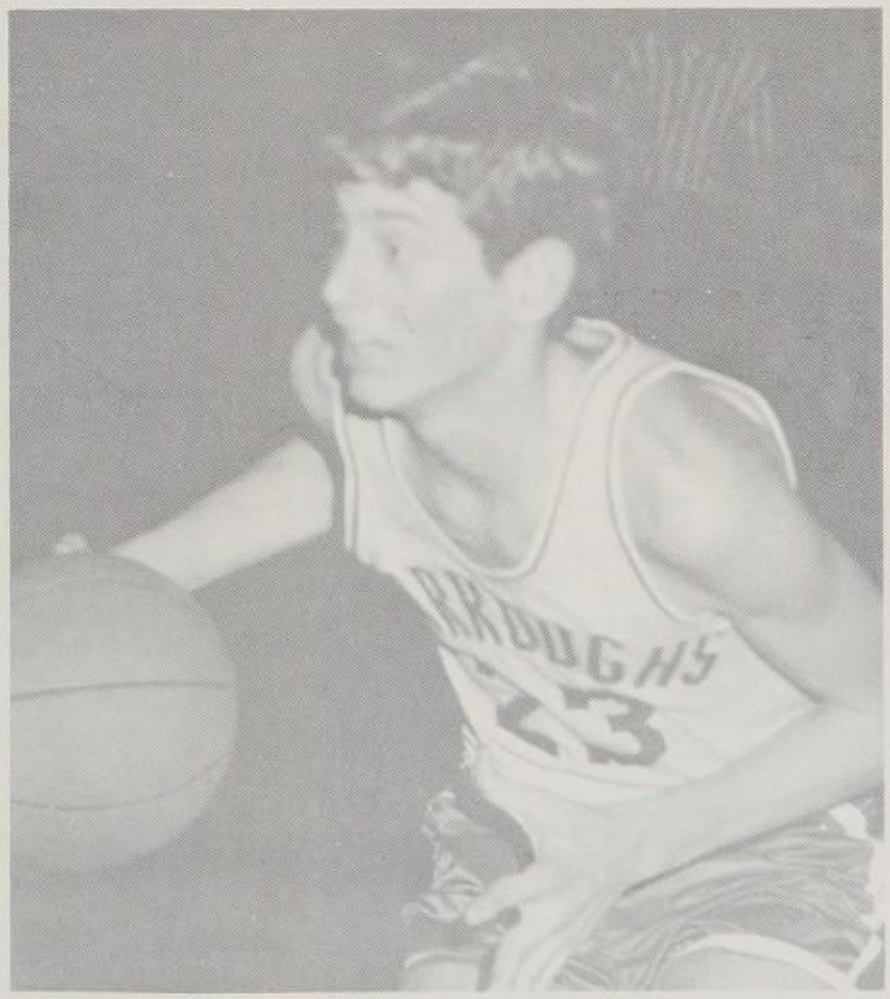
Braves shoot to win



Grabing one of his many rebounds against the Bull Pups is JERRY BAILEY.



Jumping for joy as he scores two points is Burroughs Brave RON CASELLA. Watching on are STEVE BRAZELL and JERRY BAILEY.



Looking for an opening in a hard fought battle against Burbank is RON CASELLA.

Shooting for first place in Foothill League is the 1971 Track Team. The team is strong in all events.

Working for his first track league championship is Head Coach JACK DRAGER.

Two Varsity shotputters this year are MIKE MC CASKILL (R) and MIKE GARCIA (L). Both have potential to score many points in the League.

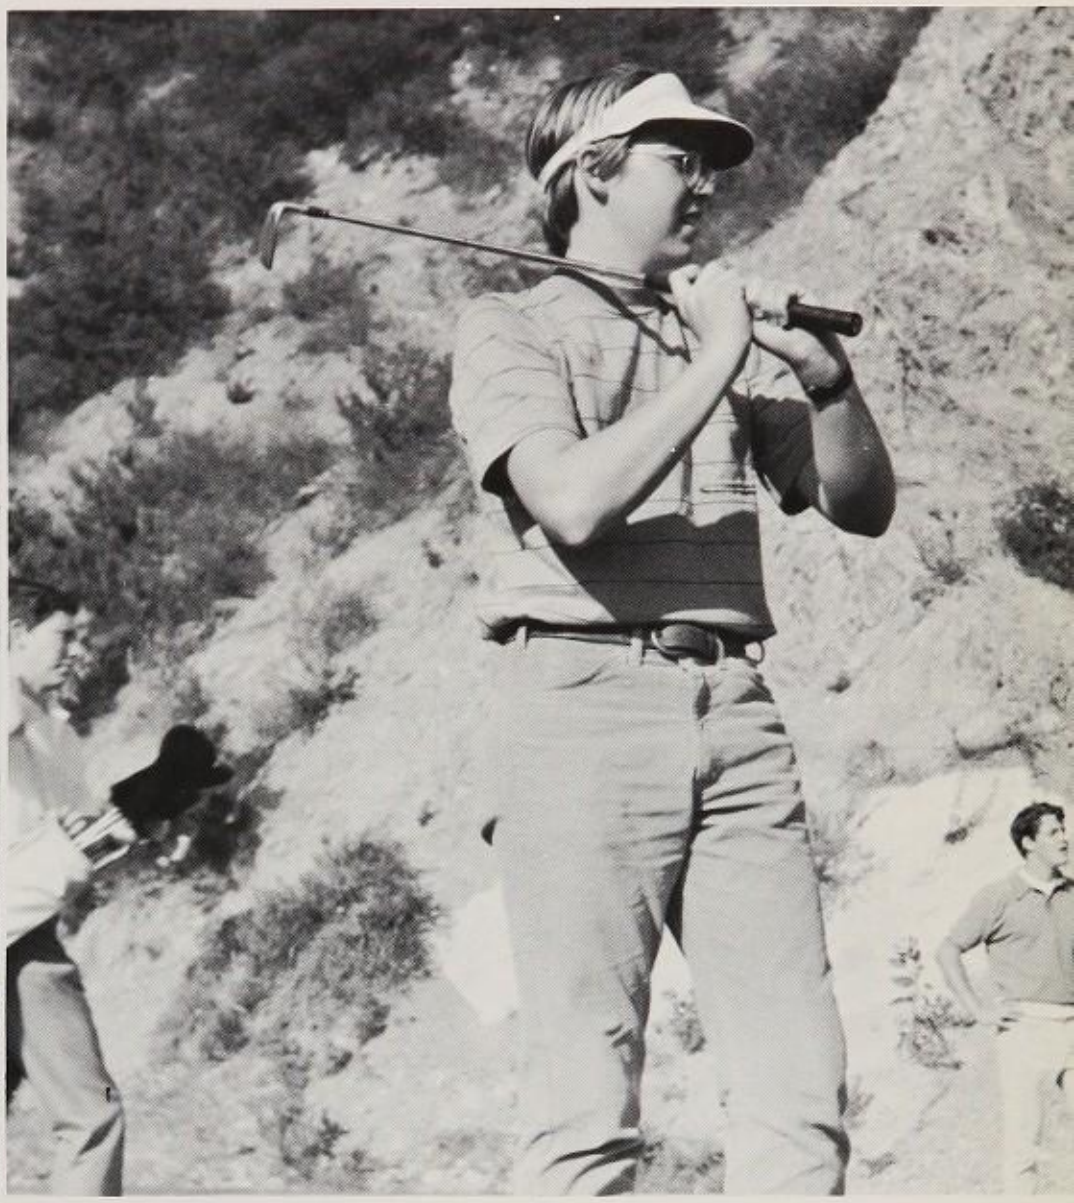
Taking a practice swing is Senior KEVIN SINGERMAN.

Two titles in two years?

Number one Linkster DAN POULIOT chips the ball onto the green. Dan won the title most valuable player in the foothill league for 1970, which he will be defending against some tough competition.



Returning Letterman FRED SINCLAIR drives a long tee shot. Fred has greatly improved this year as he is the teams number two man.

After being off the team for half the season, Senior BRUCE TAYLOR makes a fine recovery as he sinks his putt to par the hole.

"A hot day in Burbank and all of us came out, to sit in the stands at Burroughs to join the yells and shouts."

New cheers, new students and a new school year started off the first rally. Hard working yell and song-leaders, Injunettes and Red Skin Marching Band pulled off a smooth going rally. Making sure things ran "A-OK" is our new advisor MRS. CAROLYN WYATT and Rally Committee Chairman BETSY BECKLER.

Clearing the way for Coach Dunivant's opening speech, is Indian mascot, Mark Van Hoose.

Getting good vibrations at our first rally, from the Red Skin Band, is a hard job for our drum major, Scott Wilkinson.

THE BAD SEED by Maxwell Anderson was the annual fall play of the John Burroughs Theater Arts Department. It is a story of suspense and horror dealing with a child who is doomed to commit murder after murder because she is inherently evil. THE BAD SEED is a difficult play for a high school because it calls for complex characterizations and the characters range in age from the eight year old murderess portrayed by COLLEEN TABOR to her seventy year old grandfather played by KEVIN DAVIS. The part of the evil girl's mother was superbly played by M'LISA MACLAREN. RILL HALL was outstanding in the part of the mother of one of the murder victims. Other in the cast were RICK WININGER, DEBBIE TALBERT, DAVID MORLEY, RUSS LAFAZIA, BRIAN MCCOY, KRISTY THOMPSON, and TIM EYLER. CATHY PECK was stage manager, VIRGINIA CROCKETT and BARBARA BECK were in charge of props, BEN SHARE handled lights, HEIDI HIRSCH did the sound effects, and SHARLENE MANUS was in charge of make-up.

Mrs. Penmark learns of her mother's true identity as a murderess from her foster parent, acted out by KEVIN DAVIS.

Burbank lost their pride along with the bed-race and Varsity game. Making the rally more fantastic than ever was the revealing of the pride sign.

"Who stole my pajama!", was a cry heard from one of the football players at the Burrough's Burbank Rally. The girls secretly got the boy's pajamas from sneeky mom's, to model to the school for one of the skits.

"We've got the pride!"

Co-Captain GLEN BEUBIEN had the priviledge of crowning the Fall 1970 Fall Sports Queen GEORGIANNA CLARK, at the Burroughs-Burbank Rally.

"We've got the Pride" was the spining in the air from excited, happy students at the Burroughs-Burbank Rally. For the second time Burbank's Pride sign had been stollen. Preceding the revealing of the Pride sign the coaches of Water Polo, Cross Country, and Football recognized the stars and highlights of the season. An added attraction to the rally was the fabulous fashion show presented by enthusiastic sports fans. "Rootie-toot, Rootie-toot, were the boys from the institute were not rough were not tough, were from Burbank High." barked the bulldogs at the rally, portrayed by Burroughs students, for the first skit. (not pictured) Concluding the rally was the traditional crowning of the Queen and her court. Sitting proud and pretty is QUEEN GEORGIANNA CLARK and her court DIANNA WINTERMANTLE, TRUDY SHARP, and SUSAN JONE. Twice as nice is remembering our double victory against Burbank High School. The bed race our first win, and the Varsity game ended our glourious victory's for the 1970 football season. This rally was a great success, and to have a successful rally it takes a lot of hard work and thought, which was very well done, a big thanks and hand goes to our rally committee chairman, BETSY BECKLER.

Take it away Burrough's! And we sure did at the bed race up at the Mall. We showed Burbank we could win them in their territory as well as ours.

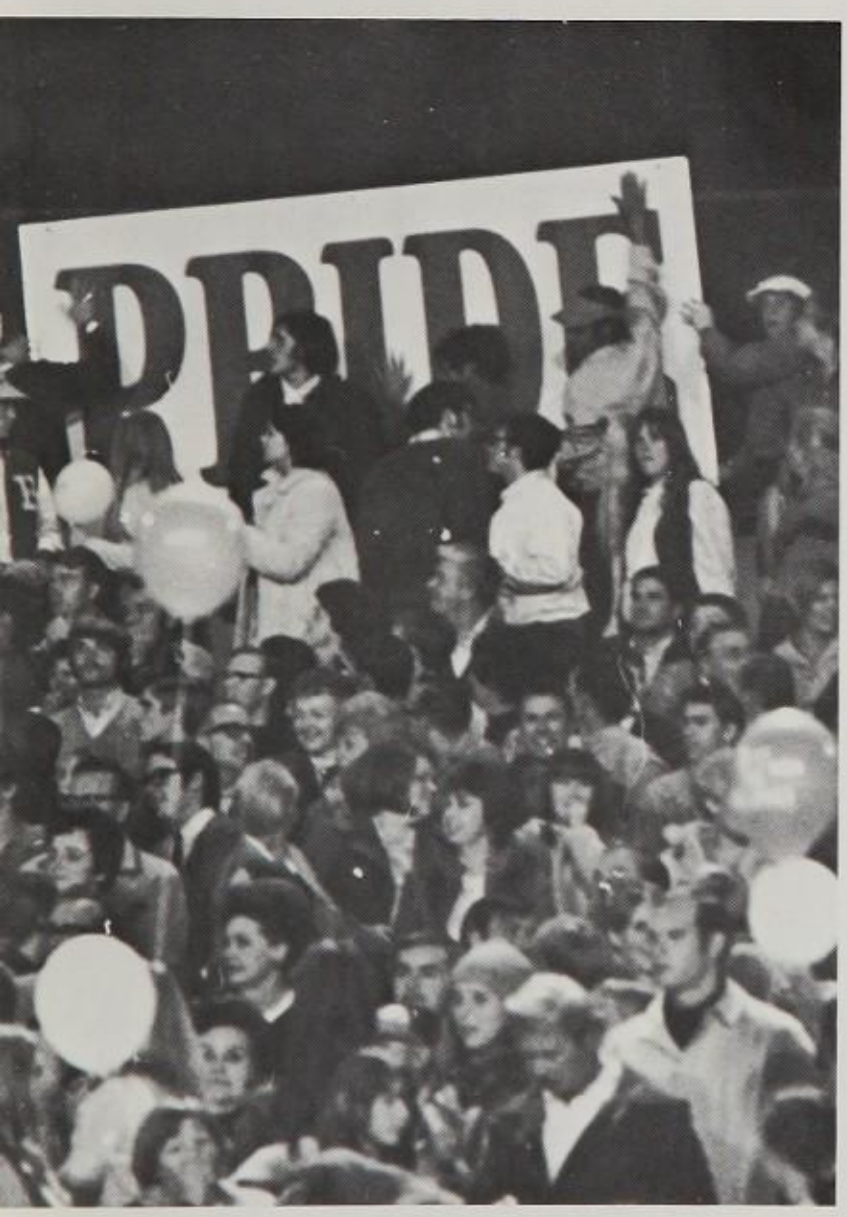
Even though we lost a wheel we still came through with COACH DUNIVANT riding to victory, at the bed-race against Burbank.

Radiantly posing are queen GEORGIANNA CLARK and her court (L-R) DIANE WINTERMANTLE, TRUDY SHARP, AND SUSAN JONES.

Breaking through the tee-pee after half-time, the Indians came out to trample the Bulldogs at the Burroughs-Burbank game. Out in front, and leading the way are (10) TIM MOLINA, (20) BRUCE WALLACE and (71) BOB LOYA.

Never four!

Presented at the Burroughs-Burbank football game is the 1970 Fall Sports Queen and her court. Posed is Queen GEORGIANNA CLARK, and her escourt JOHN VOSS-EMEYER.



Proud Burroughs students display their newly acquired Burbank Pride sign while everybody cheers "Burbank's got no Pride!"

Is it a dream? No! The scoreboard tells the truth. Burroughs came out victorious over Burbank. Friday, November 13, 1970 is a great day the Indians will remember.

Indians on the move to prove we have spirit

A new look for the 1970-71 season are John Burroughs' letter carriers leading the march to Jordon Jr. High.

Crowds form for the traditional flag raising ceremony on the morning of the Burbank-Burroughs game.

Leading the John Burroughs Red Skin Marching band is Drum Major SCOTT WILKINSON firing up spirit at the Jordan rally. Getting used to spirit, enthusiasm, and excitement are pre-Burroughs students.

The morning of the Burroughs-Burbank game the "Spirit Squad" (namely the Red Skin Band, Injunettes, Song and Yell Leaders) marched over to Jordan to arouse the Indian Spirit with upcoming Burroughs' students.

For SCOTT WILKINSON the day of the Burbank-Burroughs game was busy, busy, busy! As usual, he kept everything under control and led the band in a great performance.

All the spirit and enthusiasm that the Injunettes bring out could not be measured.

A big thanks from the school should go to the Injunettes who helped make the 1970-71 sports season successful.

Hard work, great imagination, and fantastic leadership is what it takes to be an Injunette Captain. Just such people are (L-R) NANCY WOOD, PEGGY MON-BARREN, and CORI COOK. Standing is Injunette captain HEIDI LAWSON.

This years 1970-71 Injunette's were one of the hardest working groups ever. The Injunettes took 2nd place in the Arroyo Competition. Without such hard work from everyone they could have never received such an honor.

"Boy she really knows how to make 'em stiff!" LARRY HRUDA, is as stiff as a board as the Hypnotist proceeded to stand on him.

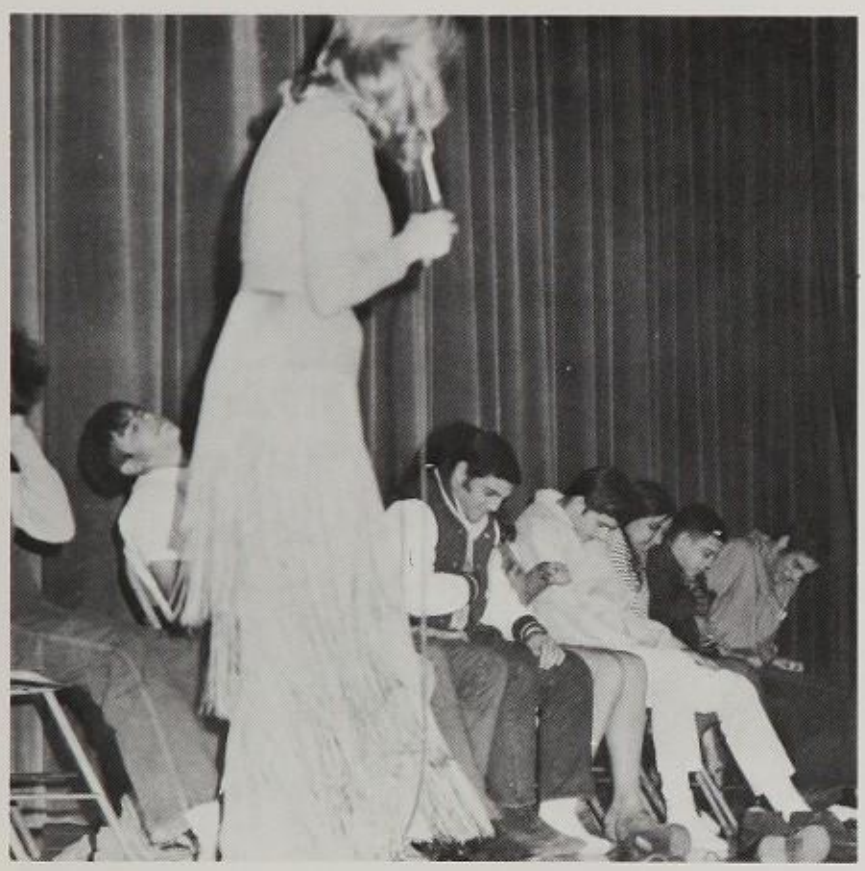
Passing by Hawaii is MONICA SHEPPARD showing everyone how to hula as she falls deeper and deeper asleep.

Going. . .

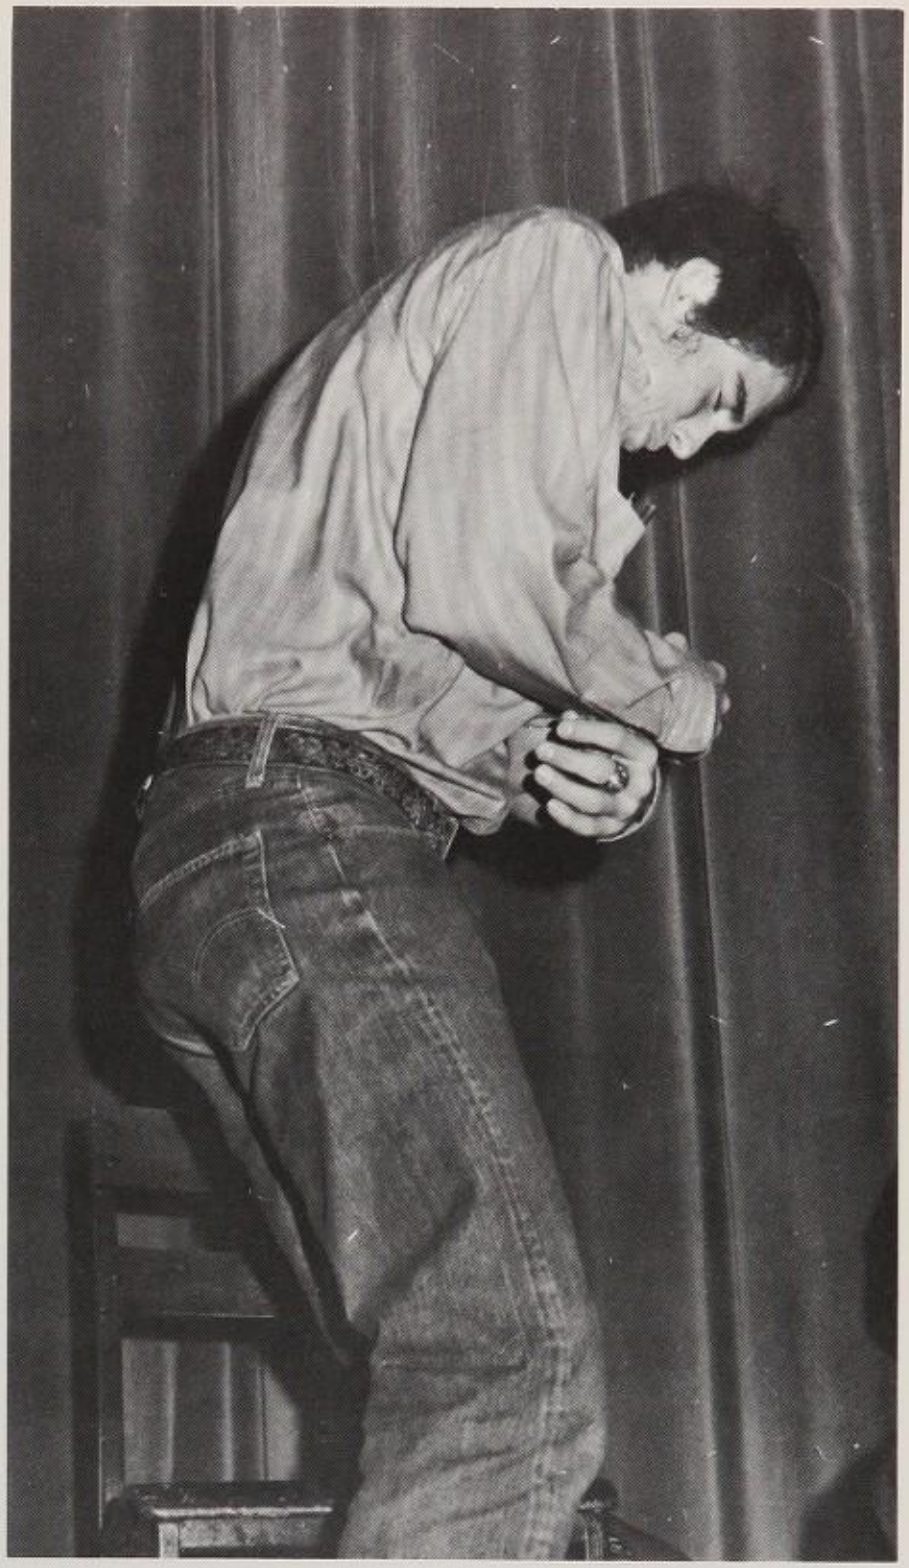
Going. . .

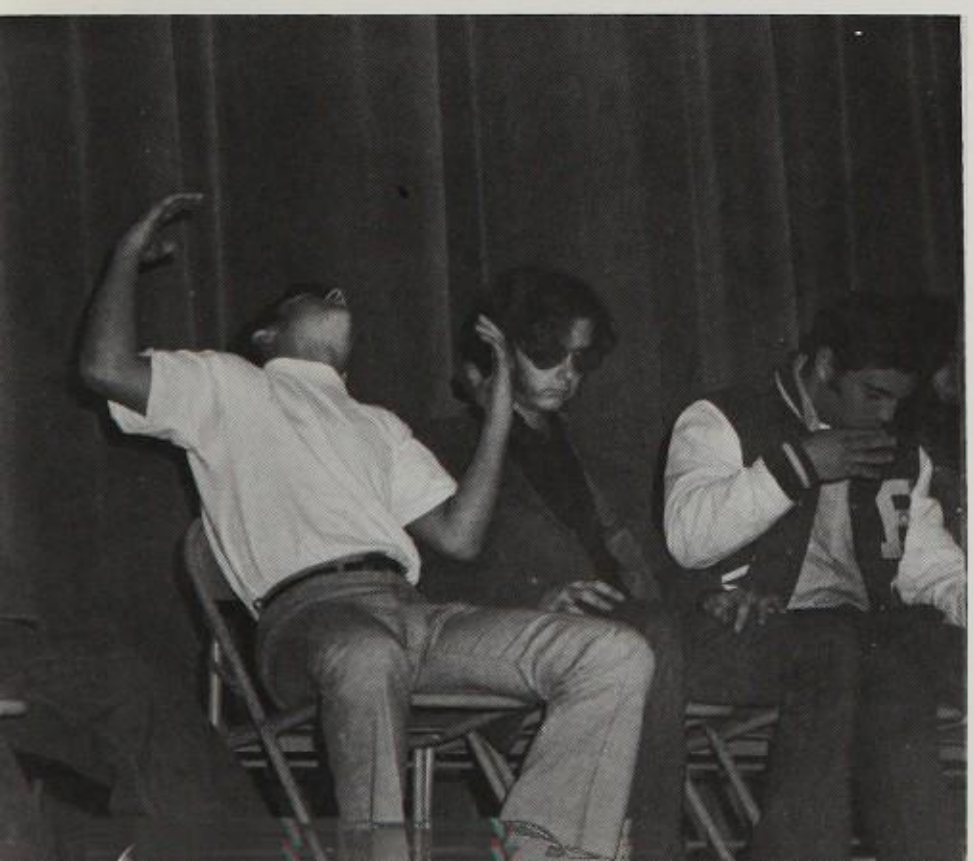
GONE!

Maybe some flea powder will help? The hypnotist tells the volunteers they itch and they start scratching! It was unbelievable the way the students responded to her every word.



Whoa Kevin! Even though it's hot keep your pants on! Students really fire-up under the hypnotic suggestion "Your hot, your burning up!"





This year, John Burroughs had it's first Hypnotic assembly. To start it off the Hypnotist asked for volunteers. She then had them consentrate on a light and put them under hypnosis. After they were all deep asleep she told them various stunts to perform, such as they were hot, cold, and itched. The students all had imaginative birds, the hypnotist asked their names, and what kind of birds they were. A few of the male volenteers were various machines such as JON FUNK who potrayed a washing machine. The girls did the hula for their performance. She then informed them that they were disrobed, some turned their backs to the audience as where others just turned red from embarrassment.

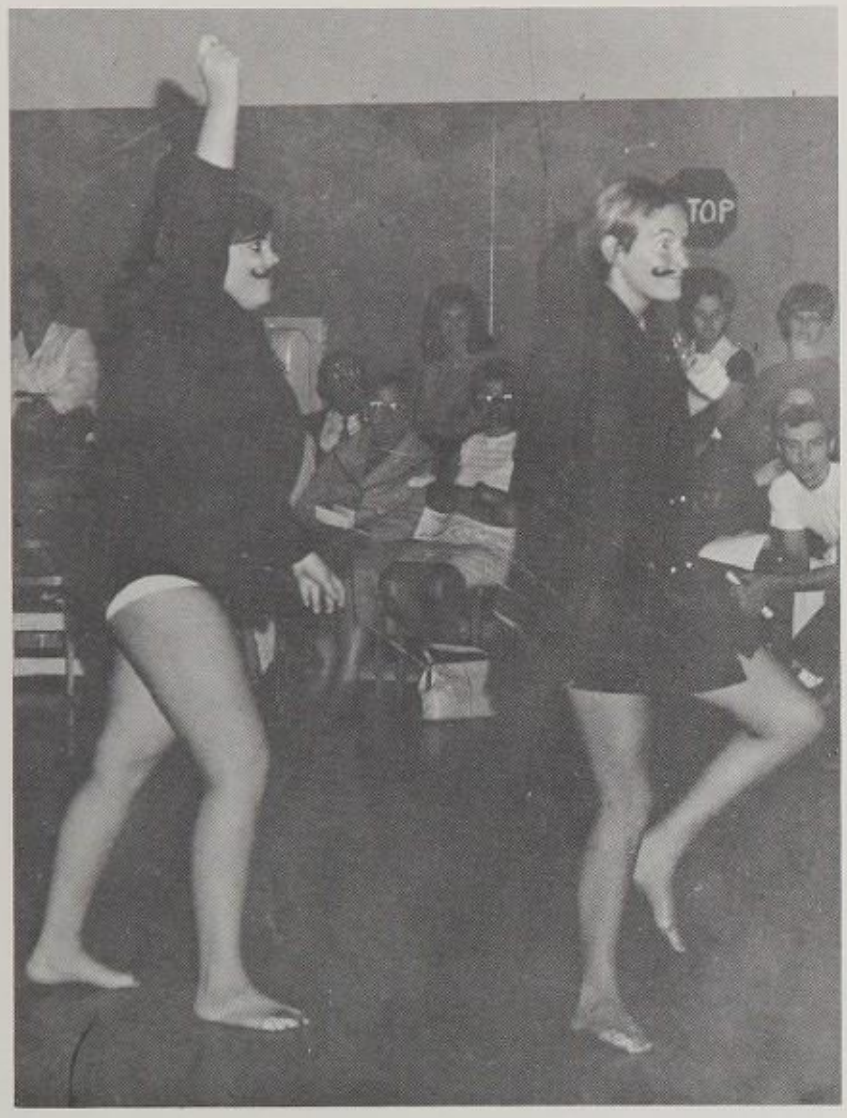
All in all it was probably one of the most interesting assemblys we've had.

Dance, dance, dance

"Stop the Stage I Wanta Get Off" was an appropriate name for this years Dance program. JOAN REID, SANDY JABOWSKI and LIZ LARA perform Santana, choreagraphed by JOAN REID.

Meditation in movements were demonstrated in "Prasees to Budda" a dance that featured only percussion insturments as accompaniment. The dance was created by MONIQUE MC ENERY, and JAMIE APPERSON. BRIDGET GRIFFIN portrayeed the frolicsome Keystone Cops in their endless persuit of Charlie.

Involved in her performance BAMBI BASSOUT takes a perfect dance position, while the audience watches a surfing film behind the dancers. The film was just one of the ideas used in the program.



Watch out! Here they come! It's "Charlie Chaplan and the Keystone Cops" The lights flickered on and off just like the old time movies. TRACY MEUSKI and BRIDGET GRIFFIN portrayed the frolicsome Keystone Cops in their endless persuit of Charlie.

This year's Songleaders added pep and enthusiasm to the rallies and games. (Bottom row) JODY BOWMAN, LINDA SHOEMAKE, (Middle row) DIANNE WINTERMANTLE and GEORGIANNA CLARK, (Top row) JOYCE JOZWIAK. Shake your pom poms and everything will be O.K.!

Pow-wowing spirit all over Burroughs are our great Mascots PATTY MORENO and MARK VAN HOOSE.

Getting it all together and promoting spirit at rally's are energetic yell leaders KRISTI THOMSON, KEITH STEIN, (top) KEVIN SINGERMAN, PAM NASSIFF, KENT TAYENARA.

I feel good

More freedom for flags! RAYNA McGILL captain and the rest of her tribe kept everyone on their toes with intricut routines. JANE ENZ, CHERYL McWILLIAMS, MARY ANN REARDON, BETH CUMMINS, SUE GAGE, DEBBIE KENNER, ROBERTA FINSTAD.

It's always nice to have experts and this year's Majorettes showed their skill. Head majorette DARLENE KROLIKOWSKI gave the team extra zip with KELLY MORGAN and JOANNE LINTO. It's no wonder the Indians had snap, crackle, pop.

Memories of Injunettes Banquet

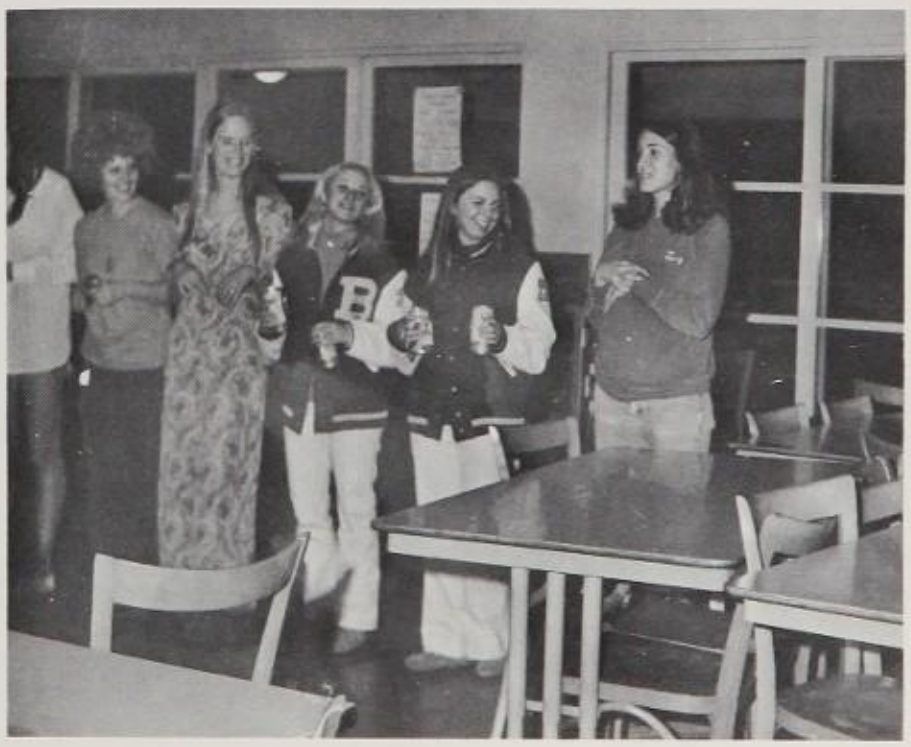
Wow! Look at those? (Guys or Girls). Whatever they put on a great show at the Injunette Banquet and really moved the spirit. Our great Injunettes: ART REPOLA, DARRELL HIXON, AND DAN MARTIN.

Half asleep and half awake, half dressed, half still in curlers, are John Burroughs amazing Injunettes, flag twirlers and Majorettes.

Will linger on.

The twelve years of school ended with a big surprise. All and all the Injunette banquet was a lot of fun, and a real good time!!

What's the news across the nation? Well TERI CUARON and VALORIE DREW told everyone at the Injunette banquet. They talked about a variety of things which were all hilarious ackowleged by the laughs from the audience.



Sing it out girls! Singing the twelve days of school are the spectacular Injunettes entertaining at Injunette banquet.

The Women's Chorus presented "Comes A Train of Little Ladies" in Mikado. This was the mini version of Mikado but had just the same grandre and excitment as the full opera.

One of the selections from the "Music of the Theater" presented by the Senior Concert Choir was "Mame". This scene portrays the finishing touches of the production. Written by Jerry Herman.

"Music of the theatre"

In January the Senior Concert Choir, uunder the direction of DWIGHT MARTIN, presented the Seventeenth Annual "Music of the Theater" program. Following tradition, the presentation consisted of three segments. In the first portion, several varied concert numbers, from Viadan's "Adoramus Te, Christe" in Latin, to Bacharach's "Anyone Who Had a Heart", were performed. Among the other selections were the traditional folk ballad, "Johnny Has Gone For A Soldier" and "I Am Bound for the Promised Land", a spiritual. The next portion of the program was a choral movement arrangement of a medley of songs from the musical Mame. Following Mame, solos by selected choir members were presented. These students were CINDY CRAMER and ROY HINRICHS with a duet, ROBIN RUSSELL and TIM MOLINA with a duet, GINA GUTRU with a piano solo, and KENT TAYENAKA, who performed a vocal solo.

For the final segment of the program, the choir presented a shortened version of Gilber and Sullivan's The Mikado, a spoof on English court life.

ROBIN RUSSEL and TIM MOLINA thrilled the audience with their duet: One of the highlights of the evening with "Music of the Theatre".

Not quite Women's Lib the "Z" club at John Burroughs get's it on for girls. Altogether "Z" club wants to promote, through fellowship, of better understanding among all peoples on the world.

Hola Paco! is about the only Spanish you need to know to join the Spanish Club. The Club gets involved with some pretty great activities including the opportunity for American students to learn the cultures and speak Spanish with native students.

Clubs really get it together right now!

GEORGIANA CLARK ruled this year as 1970-71 Fall Sports Queen. It is a pleasure to have a girl like her represent our school.

If anything you can say about the Basket Ball team you can't say they have bad taste. LINDA SHOEMAKE 1970-71 Basketball Queen proves that. Now that's a smile of a winner.

GEORGIANA CLARK and DIANNE WINTERMANTLE help happy princess MICHELE MALAN to her chair PATTI MARENO and PAM NASSIFF applaud the choice.

PAM NASSIFF "feels good" after she receives the honor of 1971 Basket Ball 1st princess...And she didn't even let go of her "Bust the Bulldogs" balloon.

TERRY KELLERHOUSE receives her crown and kiss from LENNY SARIGOSSI as BARRY RUSSEL looks enviously.

Composing a yearbook is more of a job than meets the eye. It requires imagination and deep thinking to make this 1970-'71 yearbook more interesting.

tuned in

The AKELA STAFF works on doing many different things such as writing cut lines (which is not an easy job), croping pictures, and making sure all dead lines are met.

Our 1970-71 SMOKE SIGNAL STAFF works year round on gathering news of the school and publishes the local gossip every two weeks. The Editor-in-Chief of the paper is PHIL SCHUMM. Assisting him on the publication of this fine piece of student work is Managing-Editor, MARK RATZKY. Proud to be the advisor is MRS. BETTY TREMPE. AKELA stands for "The Leader", which is the least to be said about the major publication of John Burroughs, our yearbook. Working along with the Akela Staff as well as the Smoke Signal Staff is PRESS PHOTO, advised by MR. MANNIX MILLER. Mr. Miller has done a splendid job for being "new in the business". Credit must be given to this class for their accomplishments in helping both these publications to be a success this year.

"Watch the Birdie" is the first thing the Press Photo class learns to perfect.

John Burroughs- "The Sounds of the Seventies"

The Red Skin Marching Band not only entertains at the football games but participates in competitive parades. They practice every morning, and are one of the hardest working groups at school.

One of the many parades the Red Skin Marching Band participates in is their yearly jaunt to Jordan on the day of the Burroughs-Burbank football game. The brisk air wakes-up the band, and the bands music wakes-up the neighborhood.

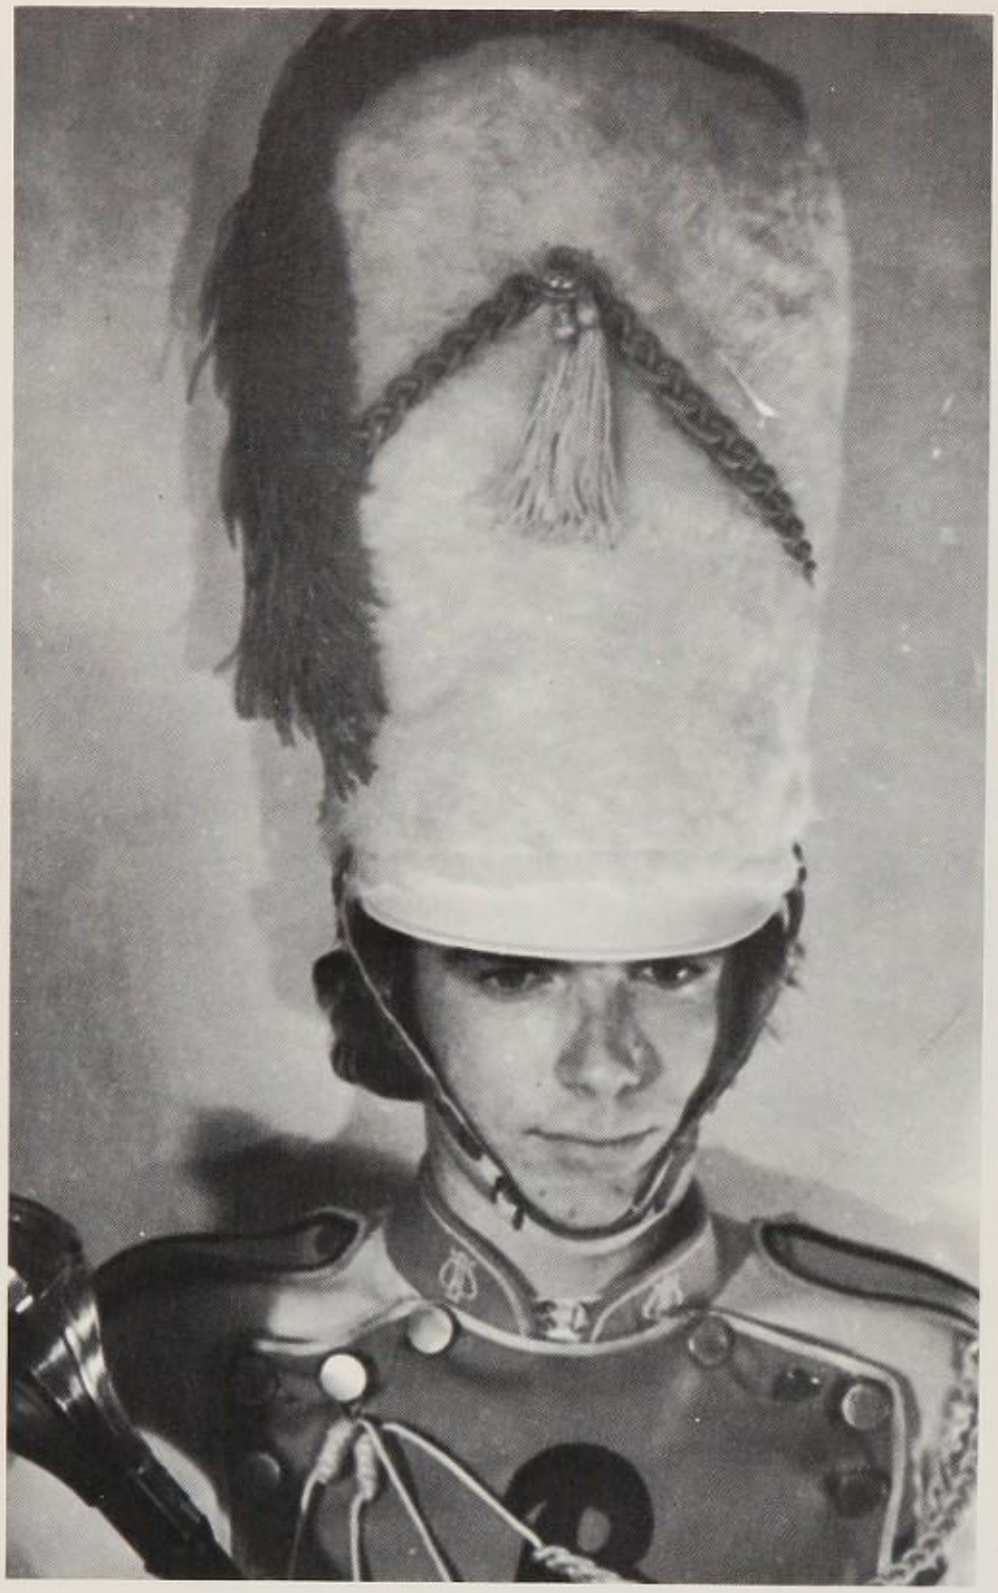
HONORS

Students



SCOTT WILKINSON, Burroughs' Drum Major, prepares to strike up spirit.

After a mass of interviews and applications, CARI WILLIAMS made it to Holland, as Burroughs AFS student for 1970.

PEGGY PENTON, a junior here at Burroughs. got it together as Editor-in-Chief of this years' Akela.

receive recognition

MARGARETH GIL is the AFS student for the 1970-71 year. Coming from Brazil, Margareth latched on to California life readily.

If she has only one life to live, should she live it as Associate Editor of this years Akela? Maybe not, but for two semesters, DONNA JONES, a Burroughs junior, did.

The National Merit Semi-finalist for 1970-71 is senior, LORAINE GROSS.

Honors don't have to be entirely scholastic. People receive honors for atheletics, acting, musical ability, and for numerous other abilities.

CARI WILLIAMS received recognition as the American Field Service (Foreign Exchange) Student from John Burroughs. This position required high scholastic ability, but it also required good sense, and the desire to explore and obtain knowledge from the unknown.

Receiving equal recognition was MARGARETH GIL, who came to Burbank as Brazils AFS Student.

SCOTT WILKINSON received recognition this year as Drum Major at Burroughs. In order to be eligible, Scott was required to be a Senior and have fine musical ability.

LORAINE GROSS became the National Merit simi-finalist because of her fine scholastic apptitude and her will to strike out for the top.

After much thought and consideration, PEGGY PENTON, was appointed Editor-in-Chief of this years Akela. Among other things, Peggy qualified because of her journalistic background, her determination, and her leadership.

Because of the need for someone to assist in the managing of the Akela, DONNA JONES was appointed Associate Editor.

All of the students mentioned above have been honored for one reason or another. However, even though scholastic ability did enter into the majority of the recognition, grades weren't everything! Not only did they have to have good grades, but they had to have educated minds.

By this, it is meant that not only did these students have to know how to fill in answers on a test form, but they also needed to know how to handle themselves independently when facing a new experience.

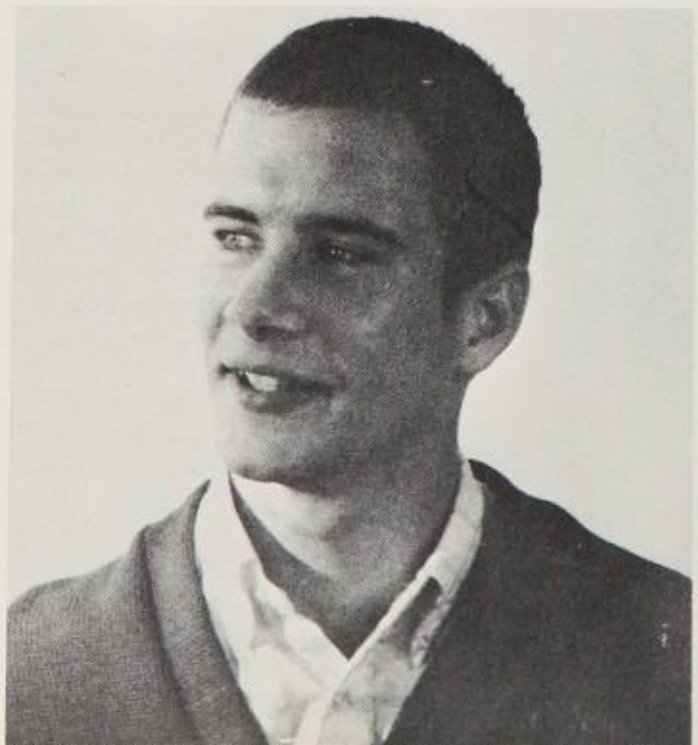
These students were totally committed to their position. They used their scholastic ability to improve upon their individual ability. They created an educated, mature student fully deserving the recognition that they received.

Being able to improve upon one's individual ability is a quality present in all. If one doesn't think that they have an individual ability, one may use education to seek out their potential. No matter how the situation is received everyone has what it takes but they just need to get-it-together, and some try harder than others.

Determination and hard

Senior, KENT TAYENAKA, is the Burbank Optimist Club winner, for the 1970-71 year, from JBHS.

One of the diligent workers on the winning showcase at the Southern California Business Education Conference, was ROBIN GIBSON, a senior at Burroughs.



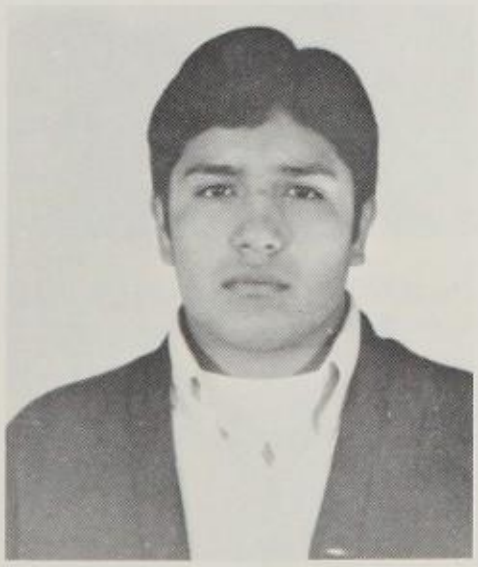
TIM MOLINA is the 1970-71 Boy's State Representative. A senior at Burroughs, Tim qualified for representative because of citizenship, scholarship, and leadership.

work pay off

SHARON ROSELLI was an enthusiastic worker on the Showcase displayed which won first place at the Southern California Business Education Area Conference.

During Youth Appreciation Week, LILLIE WATSON, was selected by the Burbank Optimist Club as the winner from JBHS, for 1970-71 year.

HEIDI LAWSON is a JBHS senior and captain of the JBHS Drill Team.



Senior, BOB LOYA, was the 1970-71 JBHS nominee for the All-American Football Award.

Although some people believe that one must work diligently at obtaining any high position in life, too few realize that the same thing applies to students who are trying to reach the top in scholastic standards. It is the opinion of many that top scholastic recognition is something which is based on a natural ability rather than determination and hard work.

It is, of course, possible that an athlete such as Bob Loya did have some natural ability in the beginning. However, it took constant work and determination for Bob to become an eligible candidate for the All American Football Award.

Heidi Lawson may have needed some natural ability to lead others, but one is more apt to realize the Heidi had to put out a great amount of effort to gain complete control of herself so as to perform the complicated manuevers displayed by the members of the John Burroughs Injunettes. Heidi also had to learn to control her emotions so as to be able to cope with the problems of the other members of the drill team, of which she is captain.

In the case of Tim Molina, it is possible that Tim had to have a large amount of natural inclination and desire toward government, in order to withstand the problems which he had to overcome. Tim had to put forth a tremendous amount of effort and time to rise above all of the other male representatives at Burroughs, and become the sole Boys' representative from JBHS to Boys' State.

Kent Tayenaka and Lillie Watson put great effort into becoming the Burbank Optimist Club Award winners. This award was based on their scholastic knowledge.

Robin Gibson and Sharon Roselli worked together and produced the winning showcase at the Southern California Business Education Area Conference. Robin and Sharon used entirely their own creative ideas, working hour after hour to produce the best. This is a true example of spirit and hard work which payed off.

Not only do we have muscles . . .

The Honor Society members have achieved a 'B' average through one or more semesters.

In the past several months we have read about, viewed television screens, and followed the progress of the Apollo Space Missions and the United States quest in being the first humans to walk the surface of the moon. Never before has man had to so rely on learning as he does today.

As each day goes by it becomes clearer, that to succeed or gain leadership in this world, intense education is imperative. In years gone by, a high school education of general studies was sufficient. Now it seems that three, four even five years of study beyond high school is common. It is in these formative years that generally a pattern begins to form within the young person. A pattern that begins to show the leaders of tommorrow. Leadership is the key to success, and without it, all will fail.

Leadership is what helped make a success of the "Akela" this year. Much thanks and appreciation go to MR. CONLEY McLAUGHLIN (MR. MAC) in acting as advisor for the Akela staff. The staff itself has been a great help and has done a wonderful job. MR. PACKARD always lends a helping hand with Senior pictures, band pictures and choir pictures. This being his first year, MR. MANNIX MILLER has done a great job, along with the help of press photo class, in making this yearbook a success.

Memories of this year will long be reflected by the pages of this book. I hope my task has been completed by helping today by remembered tommorrow, and for years to come.

Brian (#44)
I hope you are going to have a great summer at the Forum. Maybe next year won't be so arbitrary for you. Good luck next year. Jeff Burg

I'm glad you were in my algebra class this year - your jokes livened up the boredom of mathematics. I still say that you'd make a good announcer for baseball —
Have a good summer

Steve,
Another year of math? Forget it.
Algebra was my match. I hope there are no more to come. I suppose you will have class this year. Good luck
Great Summer
Love,
Gina Gutierrez

Dear Lorin,

This is definitely, the greatest part of the school year. This summer is going to be sliekin' 'n Mannix because the Royals are the greatest team in history (actually in baseball). We must go to many Dodger games and see Dick Allen. I'll see you this summer and, hopefully, next year. ¡Adios!

Mike Moorhead

It's been so much fun in Chemistry this year (sure!). I'm gone this year, but you only have one to go. Good luck as a senior and as a basketball player. Work hard next year on grades and I know you'll be successful.
